#001 My name is Maurice Troy and my wish "is to get some new golf shoes- size 10 and a new Nike strap/stand bag so I will not have to lay it down all the time. I get tired of the old bag Coach Spence gave me. I am also a DNS golf club member at school.

#002 Hi, my name is Keaton, although my grandparents don't like golf, I've grown to like it quite a bit. My golf bag is supposed to stand but it's broken. It's my wish and would make it easier on my arms if I had a nice new stand bag. I'm not picky about the brand as long as it works!!!

#003 Hello, "I'm Rheava and last summer at camp Coach Spence accidentally broke my stand bag and never replaced it. It is my wish to get a new black Nike stand bag with a pink stripe on it. That's not asking too much is it? Thanks!!!"

#004 My name is Trae'ranz White and "I have outgrown my jr golf set that I won at the golf channel DRIVE, CHIP, & PITT in 2003. The set came with a driver, 7, 9, and a putter. I'm more advanced now and wish for a new set of golf clubs plus a new glove that will help my grip. I feel like sometimes I can beat TIGER!"

#005 My name is Michael. I'm 15 yrs. Old and I stay with my guardians- since being put out by my granddad who feels other things are more important than me. "Coach has always taught me to do the right thing but I still ended up messing around with gangs. GOLF has helped eliminate some if not all. Since I moved, I do not have clubs anymore. My wish is for some new Taylor Made clubs and a stand bag. The others were imitations anyway. Coach told me that it's not the equipment that counts but the operator of them. I just like nice stuff! I have been with FAK for 6 years but haven't played any really nice courses."

#006 Was Sup! "I'm Devon and my mom has a life threatening illness. I wish and wanted to play with the FAK GOLF club but my mom could not afford the registration fees. He offered to do it for free but I broke my arm just before the season started. Coach trains kids all throughout the year for nothing but to join there is an admin. Fee which he says eliminates cost in several activities and tournaments. He also has a summer camp that I would like to attend this summer. My neighbor went last year and he said they had a blast everyday! The cost I think is \$500.00 for the camp."

#007 My name is Martin Lopez, my wish is to get some new clubs so I can play with FAK golf club.

#008 Hi, I'm Nvilah, "I just want some clubs that are my size. I will be 8 yrs. old soon and I like golf a lot. I hit the flag at the golf event last month in chipping. If the clubs were the right size it might have gone in."

#009 "I'm Teon, I'm 15 and I want a new Odyssey pitter. They are so hot! I wish to putt like Coach Spence, though."
